

**Relevant Provisions of Kankakee County
Prohibiting Discrimination Against Individuals with Disabilities
&
Notice of Accommodation Availability**

Commitment

Kankakee County is committed to complying with the Americans with Disabilities Act (ADA), the Illinois Human Rights Act, and other applicable anti-discrimination statutes. Kankakee County will not discriminate against a court user -- litigants, witnesses, victims, spectators, jurors, attorneys, agency representatives, volunteers, probationers and participants in court programs, services and activities -- on the basis of a disability regarding that individual's access to court proceedings, programs, services, and activities.

Reasonable Accommodations

Kankakee County will provide a reasonable accommodation for a court user with a disability, enabling the individual to access and participate in court proceedings, programs, services and activities, provided the accommodation does not fundamentally alter the nature of a program, service, or activity or impose an undue hardship upon the county. A court user with a disability may request an accommodation by contacting the Court Disability Coordinator.

What types of accommodations does Kankakee County provide?

⇒The County requests a 14 day notice for certain accommodation requests, such as interpreters and CART services.

Please contact the Court Disability Coordinator as soon as you know when you will need an accommodation.

How do I request an accommodation?

You, or anyone acting on your behalf, can request an accommodation. To request a Courthouse accommodation, contact the Court Disability Coordinator (CDC), Lori Wolf, at (815) 936-5751. You may also go online to download and complete a request for accommodation form and return it to the CDC Coordinator's address on the form (<https://courts.k3county.net> and select ADA Policy at the top of the page). Should you require accommodations for County programs or services, other than within the Courthouse, you may contact the County ADA Coordinator, Ted Workman, at (815) 936-5493 or you may go online to download and complete a request for accommodation form and return it to the County ADA Coordinator's address on the form. The Courthouse and County request a 14 day notice to provide accommodations. Please notify the Court Disability Coordinator or the County ADA Coordinator or submit your form as soon as you know when you will need your accommodation.

Can I suggest what accommodation would work for me?

Yes, Kankakee County encourages you to tell us what kind of accommodation would enable you to effectively participate in the County's proceedings, programs, services and activities. While we might not be able to fulfill your exact accommodation request, we will strive to provide you with an equal opportunity to participate.

If my accommodation does not work for me, what do I do?

If you are in the Courthouse, you can tell the judge or court staff. You can also contact the Court Disability Coordinator or the ADA coordinator.

If I am still not satisfied with my accommodation, what should I do?

If you spoke with the Court Disability Coordinator or ADA coordinator, and you feel your access issue is not resolved, you may file a grievance with the County. The grievance form is available from the County's ADA Coordinator located at the Kankakee County Administrative Services Office; 189 E Court St., Suite 502, Kankakee, IL 60901, by calling (815) 937-3642, or online at <https://courts.k3county.net> and select ADA Policy at the top of the page.

Within seven (7) days after receipt of a grievance, the Court Disability Coordinator (CDC) or the County ADA Coordinator (ADAC) may meet with the grievant, either in person or by telephone, to discuss the complaint and possible resolutions, if the CDC or ADAC determines such a meeting would be helpful to a determination. Within seven (7) days after the meeting or within fourteen (14) days after receipt of the complaint if there is no meeting, the CDC or ADAC shall respond in writing, and, where appropriate, in a format accessible to the grievant. Your grievance is to be filed within seven (7) days after you become aware of the action or inaction. We encourage you to file your appeal as quickly as possible. We will only share information about you which is necessary to address your appeal. Filing a grievance does not in any way limit or replace any other legal remedies which may be available.

If the response by the CDC and/or ADAC does not resolve the issue to the satisfaction of the grievant, the grievant may within seven (7) days of the date of the CDC's or ADAC's written response, appeal the decision to the Chief Judge of the Twenty-First Judicial Circuit, c/o Court Disability Coordinator via mail or e-mail. Any appeal shall be in writing. Within fourteen (14) days after receipt of the appeal, the Chief Judge will respond in writing to the grievant with a final resolution of the grievance or complaint.

If everything went well with the accommodation provided for me, how do I let Kankakee County know?

You can provide feedback to the County's ADA coordinator. We appreciate your feedback.

What do I do if I think I have been discriminated against because of my disability?

If you believe that Kankakee County has discriminated against you based on a disability, you may file an EEO/AA complaint with the Kankakee County Chief EEO/AA Officer, Kankakee County Administrative Services Office; 189 E Court St., Suite 502, Kankakee, IL 60901, or by calling (815) 937-3642. You may also go online to download and complete an ADA grievance form and return it to the address on the form. Your complaint/grievance must be filed within seven (7) days after the person filing the complaint becomes aware of the action or inaction.

Kankakee County's EEO/AA complaint procedures do not prohibit you from filing a complaint with the U.S. Department of Justice, the Illinois Department of Human Rights, or with any other agency. *You should be aware that there are time limits for filing claims with outside agencies. Check with the outside agency for its filing deadlines.*

Retaliation against any individual who complains about discrimination, files a discrimination complaint or who assists in investigations of such complaints is prohibited. If you believe Kankakee County has retaliated against you, you may file a complaint of retaliation with the Kankakee County Chief EEO/AA Officer, Kankakee County Administrative Services Office; 189 E Court St., Suite 502, Kankakee, IL 60901, or by calling (815) 937-3642. You may also go online to download an ADA grievance form and return it to the address on the form. The complaint/grievance must be filed within seven (7) days after the person filing believes he/she is being retaliated against.
