01-01-2023 to 12-31-2023

**BlueCross BlueShield  
of Illinois**

## **GROUP HEALTH INSURANCE**

- **Same Vendor/Same Plans as 2022 – we have a “passive open enrollment” again this year, which means that if you do not go into WebBenefits you will be automatically re-enrolled in the same plan as in 2022.**
- **While the plans remain the same, all rates increase 8.5%, so carefully consider which plan is right for you and your family.**
- **All four plans are PPO plans and include the same BlueCross BlueShield nationwide network**
- **Register at Blue Access for Members to check the status of a claim, view Explanation of Benefits statements (EOBs), locate a in-network doctor or hospital or request or print a new ID card. Go to [bcbsil.com/member](https://bcbsil.com/member), click on Register Now and complete the registration process.**
- **The following are high level overviews only. Please see the BCBS Enrollment Guide for Summary of Benefits for a more complete description of each plan’s benefits available on the County’s website under Human Resources.**
